

Welcome to the EBS Master studies BOOT CAMP!

August 22-23

We want to make sure that you kick off your studies in the best way possible and for that we invite you to the creative environment of the Roosta Holiday Village.

During this intense two day bootcamp, we will provide you with all the information needed for your studies at EBS.

Additionally, we will start with the course **“Coaching”** which is a skill you can practice at the bootcamp and later on use throughout your study time.

Last but not least, we have not forgotten about the socialising aspect. There will be plenty of opportunities for networking and getting to know your fellow study mates.

Hope to see you all there!
